

## Health check for you and your staff

*Working safely in contact-based professions.*

Those working in contact-based professions must be able to work as safely as possible, as well as create a safe environment for their customers.

### Questions for yourself and your staff

You and your staff should not work if any of the questions below are answered with YES. Workers should only return to work when every question is answered with NO.

	No	Yes
1. Within the last 24 hours, have you had one or more of the following (mild) symptoms: nasal cold, coughing, difficulty breathing or fever (38 degrees Celsius and upwards)?	<input type="checkbox"/>	<input type="checkbox"/>
2. Does anyone you live with have a fever or difficulty breathing?	<input type="checkbox"/>	<input type="checkbox"/>
3. Have you had the Coronavirus (determined by a lab test) and has this been determined in the past 7 days?	<input type="checkbox"/>	<input type="checkbox"/>
4. Does anyone you live with have contacted the Coronavirus (determined by a lab test) and have you had close contact with this person in the past 14 days while they were still showing symptoms?	<input type="checkbox"/>	<input type="checkbox"/>
5. Are you in isolation due to having had direct contact with anyone who is infected with the Coronavirus?	<input type="checkbox"/>	<input type="checkbox"/>
